HOW TO CALCULATE YOUR SUMS INSURED

It is important to select and maintain adequate Sums Insured and to ensure that the estimates you provide are accurate. The figures you apply should reflect any anticipated changes in your material assets and any envisaged expansion of your business. The notes below will assist you to achieve this.

REF. SECTION 3 - PROPERTY

BUILDINGS: Your Sums Insured should represent a calculation of the full rebuilding cost (not market value) without any deduction for wear, tear and depreciation but include:

Landlords Fixtures and Fittings

Boundary Walls, Gates, Fences and Outbuildings

Additional Professional Expenses - Architects, Surveyors, Consultants and legal fees

Cost of Debris removal

Whilst a professional valuation may well be advisable, we can provide you with help and guidance in calculating your Sums Insured.

STOCK AND MATERIALS IN TRADE: Your Sums Insured should represent the full cost of replacing all stock and materials in trade at current cost prices and include other goods for which you are legally responsible. You should also include the cost of removal of debris.

BUSINESS EQUIPMENT: Your Sums Insured should represent the cost of replacing, as new, all the under-noted items which you own or for which you are legally responsible without any deduction for wear, tear and depreciation and including any delivery and installation charges.

Furniture, Fixtures and Fittings

Equipment and Machinery

Fixed Glass and its Framework

All Other Contents excluding Stock

Cost of Debris Removal

REF. SECTION 4 - BUSINESS INTERRUPTION

Your Estimated Annual Gross Profit figure should represent the projected Gross Profit of your business during the indemnity period that you choose. Gross profit can be defined as Annual Income (sales) less Purchases adjusted for opening and closing stock and work in progress, earned during the Indemnity Period selected.

Allowance should be made for inflation and future growth.

REF. SECTION 6 - EMPLOYER'S LIABILITY AND WORKMEN'S COMPENSATION

DETAILS OF EMPLOYEES: Directors, employees, persons supplied to or borrowed by you and labour-only contractors should all be included in this category.

Your estimate of wages, salaries and other earnings should represent their total remuneration and should include overtime, housing accommodation, bonuses and other payment in kind or money.

Note: When completing the proposal, you will need to specify each different category of "employee" and state for each category.

- a. the number of employees
- b. total wages and other earnings
- c. the percentage of earnings relating to manual work undertaken away from your premises.

DETAILS OF SUB-CONTRACTORS (excluding labour-only contractors): If you sub-contract work which involves construction, alteration, repair, maintenance, installation or similar work away from your premises to individuals or firms who assume responsibility for such work, you should provide the details requested.
